

Topics 2027

Issue	Ad Deadline	Print Material Deadline	Publication Date	Topics		Trade Fairs
1	22.01.2027	27.01.2027	19.02.2027	Building Materials and Technology, Concrete/Bitumen Gravel Mining/Extraction/Renaturation Recycling and Reuse Circular Economy in Practice	Road Construction and Asphalt Tunnel Construction: Technology and Methods, Formwork, Tunnel Segments Construction Machinery: Crushers/Concrete Mixers, Concrete Pumps Review: BAUMAG	21.-23.01.2027, BAUMAG Construction Machinery Trade Fair, Lucerne
2	23.03.2027	30.03.2027	22.04.2027	Plant Engineering/Conveyor Technology Building Materials: Recycling, Urban Mining, Circular Concrete Construction Machinery: Excavators, Wheel Loaders, Dumpers Digitalization in Machine Control	Logistics at the Gravel Plant: Trucks, Vans Vocational Training/Continuing Education Occupational Safety, Health Protection Preview: Building Materials Days	
3	02.06.2027	07.06.2027	30.06.2027	Review: Building Materials Days 2027, Basel Gravel Plant/Gravel Mining/Land Reclamation Concrete Construction/Formwork/Scaffolding Precast Element Construction/Precast Concrete Parts	Circular Economy Infrastructure Construction: Roads, Bridges, Transport Routes Current Tunnel Construction Projects Construction Machinery: Maintenance, Service, Upkeep	04.-05.06.2027, Building Materials Days 2027, Basel
4	30.07.2027	04.08.2027	27.08.2027	Circular Economy in Focus Recycled Concrete/Urban Mining Recycling and Reuse Plant Engineering/Conveyor Technology	Infrastructure Construction: Federal Government, Cantons and Municipalities as Clients Road Construction and Asphalt Construction Machinery: Crushers, Screening and Dosing Plants Vocational Training/Continuing Educationn	
5	01.10.2027	06.10.2027	29.10.2027	Preview: Baustoff Kreislauf Schweiz Autumn Event Plant Engineering/Conveyor Technology/Processing Concrete, Building Material Extraction and Processing Precast Concrete Parts/Indoor Concreting	Occupational Safety/Health/Accident Prevention Logistics at the Gravel Plant: Trucks, Vans, Tipper Trucks Digitalization in Construction	
6	19.11.2027	24.11.2027	07.12.2027	Gravel Mining/Extraction Plants: Screening, Classifying, Dosing Circular Economy/Urban Mining/Building Material Recycling Baustoff Kreislauf Schweiz Autumn Event Tunnel Construction in Switzerland and Europe	Infrastructure Construction/Road Construction/Bridge Construction Vocational Training/Continuing Education Preview: SWISSBAU, Basel (18.-21.01.2028) Preview: TERRA SOLID, Lucerne (15.-17.02.2028)
